

CAN YOU HELP?

Hi, my name is Terry C. your Vice Chair for the 2010 Florida area convention.

One of my duties as vice chair is to compile a list of rehabs, treatment centers, and halfway houses within our area districts so that we might offer scholarships to their clients. These scholarships will include speaker meetings, marathon meetings, and recovery workshops.

I need your help with facility names, addresses, and contact information ie. phone numbers or e-mail addresses of these facilities in your district. Do you have an H&I committee? an H&I person? who may be able to help gather, or have access to this information?

Help us fulfill our primary purpose and carry the message to the addict that still suffers.

Anything you could do to help would be greatly appreciated! My contact information is Terry C. (239) 253-0092 or xocyrret@yahoo.com

Thanks for your help,
Terry
